

TRADE ALLY PARTICIPATION APPLICATION

This document allows the applicant to be recognized as a “participating provider” in the My Energy Savings incentive program offered by the My Energy Savings participating utilities (collectively referred to as “The Utility”). By signing this document, the applicate agrees:

1. To actively promote the My Energy Savings incentive programs that are relevant to the applicant’s business.
2. To comply with the guidelines, procedures, terms and conditions set forth in each program application.
3. Provide services or materials which result in the payment of at least one My Energy Savings incentive annually.
4. My Energy Savings may publicize and/or distribute the applicant's name and contact information as a participating Trade Ally in the programs. Participation does not constitute an endorsement of the applicant by The Utility.
5. The applicant may not use the name or logo of My Energy Savings, The Utility, or any other participating member utility in any marketing, advertising, or promotional material with written permission.
6. To comply with all federal, state, and local codes, applicate laws, and licensing requirements.
7. Participation is valid for the duration of the My Energy Savings programs, unless terminated by the applicant or by The Utility. The Utility reserves the right to terminate the participation of the applicant at any time at the sole discretion of The Utility.
8. The My Energy Savings programs and incentive amounts are subject to change or termination without notice at the discretion of The Utility.
9. The Utility does not endorse any particular manufacturer, product, labor, or system design within these programs.
10. The Utility will not be responsible for any tax liability imposed on any customer or other person or entity as a result of these programs.
11. The Utility does not expressly or implicitly warrant the installation or performance or any equipment used in connection with these programs.
12. The Utility is not responsible for the proper disposal/recycling of any waste generated as a result of projects that qualify for My Energy Savings.
13. The acceptance of this application and each customer program incentive application is determined solely by The Utility in its discretion.
14. The Utility is not liable for any damage, injury, or loss of life arising from or relating to the removal, installation, or operation of any equipment, or any other action taken by the customer, the Trade Ally, or The Utility, in connection with a project undertaken by the customer or Trade Ally under the My Energy Savings programs.
15. To indemnify, defend and hold harmless The Utility from any claims, damages, liabilities and expenses (including reasonable attorney’s fees) arising from or relating to the Trade Ally’s failure to comply with any of the obligations under this application.
